About the Program

The Ridgewater College Veterinary Technology program is well known for graduating highly skilled Veterinary Technicians. The combination of rigorous classroom curriculum along with hands-on education in a state-of-the-art facility prepares our students for their future.

Students gain expertise in:

- Surgical nursing
- Anesthesia
- Laboratory work
- X-ray and imaging
- Patient care and nursing
- Pharmacology
- Client education
- Kennel management and animal care

The American Veterinary Medical Association (AVMA) has granted Ridgewater College's Veterinary Technology program FULL accreditation. The program has been on FULL accreditation since 1993.

Program Distinctions

- STATE-OF-THE-ART equipment and facilities
- ON-SITE veterinary clinic
- KENNEL FACILITY with over 50 - dogs, cats, small animals and exotics
- Small class sizes 8:1 STUDENT:STAFF ratio
- HANDS-ON experience with LARGE animals
- INTERNATIONAL internship opportunity

Admissions Criteria

The Veterinary Technology major is academically rigorous and requires highly motivated individuals dedicated to success. Applicants are expected to spend at least one week observing or working in a veterinary clinic with a veterinary technician prior to starting the program.
