Veterinary Technology Info Session September 27

www.ridgewater.edu/vettech

Love Animals? Explore Vet Tech Careers!

Friday, September 27, 1:00-4:00 p.m.
Ridgewater College, Willmar Campus

Start in Student Center Room A240; end in Vet Tech Dept.

Come visit our state-of-the-art facilities, including our Paws and Claws Clinic where students practice what they learn. Meet our experienced staff and discover the excitement awaiting you in Ridgewater's Veterinary Technology program.

• Information session
• Campus tour
• Department tour - see demonstrations with live animals, meet faculty and students
• Q & A session

This program often has a waiting list for students to enroll. Explore and apply early!
Proud to be the longest running Veterinary Technology program in the state, drawing students from many states.
