Phi Theta Kappa Meeting Minutes

We discussed...

*Potential group projects we could do for/at the school

- Nursing Stations
- Hose for car washes (washing professors' cars)
- Hold listening session for students to voice their opinions (likes/dislikes)

*A date for ditch clean up

- Decided on May 3rd, Friday 2:15 (When the meeting is normally held)

*Touched on service ideas as there were some members who had not attended before, but no new ideas were added.

*No meeting next week as school is closed
