The Occupational Skills Program (OSP) is a post-secondary vocational program for students with disabilities and varied abilities. We teach students to be self-sufficient, while also training them for entry-level, competitive employment. Occupational Skills combines community-based vocational training with personal management classes on campus.

- Meet faculty during a program overview and Q & A
- Learn about college disability services

Reserve your spot for the virtual open house or campus visit by emailing benjamin.larson@ridgewater.edu or calling 320-222-8041. Students, parents and guardians welcome. Above options don’t work for you? Contact Ben Larson above for other options.
